### **Hinesburg Conservation Commission Meeting Minutes**

**Tuesday, July 12, 2022 – 7:00 PM**

1. Call to order: Meg, Kathy, Tobi, Katherine Schubart, Barbara Forauer 7:15 PM
2. Additions/Deletions to agenda – update on Geprags
3. Public Comment for non-agenda items – Barbara asked about development on the old landfill off of North Road. No one had heard anything about it.
4. Potential Hinesburg Conservation & Housing Fund – Hinesburg Affordable Housing Committee and Hinesburg Land Trust are asking the Town to use \$100,000 of ARPA (American Rescue Plan Act) funds toward affordable housing. It seems that combining conservation interests with affordable housing might be a good idea. Meeting scheduled for July 21<sup>st</sup> with CC and Affordable Housing Committee.
5. Haystack Crossing/general development review – 40 acre parcel is still under question. No one present who has been working on this.
6. Review minutes of June 14, 2022 – we will wait for next time since not enough members present.
7. Nature Notes
8. Adjourn 7:50
