Reorder the agenda to hear the guests about the proposal around a cease fire in Gaza

Joy adds an agenda item to consider a flag flying policy for Hinesburg

Discussion of a resolution for a ceasefire in Gaza

- Heard discussion from multiple people who were requesting that we consider a resolution
- The resolution reads as follows
 - Resolution for a Ceasefire in Palestine
 - Be it resolved*, the people of Hinesburg, Vermont, call for an immediate ceasefire in Gaza, and
 - Be it further resolved*, the people of Hinesburg, VT urge Vermont's Congressional delegation and President Joe Biden to end all military aid to Israel.
- Is our group the right partner to move this forward?
- We have previously made recommendations to the selectboard
 - There is a process by which you can bring a resolution to the town of Hinesburg

Reorder agenda

- Set the agenda for meeting on 4/9
 - Process to inform the selectboard about a community request for a resolution
 - Flag policy
 - Town Plan
 - Discussion of collateral material

We continue to support the Fair Housing Proclamation
