Overweight Permit Instructions

Thank you for submitting an application for an overweight permit with the Town of Hinesburg. There have been changes made to the town overweight permit ordinance so please be sure to review it.

- All town roads have a weight limit of 24,000 lbs. Vehicles weighing more than 24,000 lbs. must have a Town of Hinesburg overweight permit.
- Unrestricted permits may be issued for up to 55,000 lbs. Permits may be issued for up to 80,000 lbs. **when the departure and/or destination location is within the town of Hinesburg.**

If you will be exceeding the above limits, a single trip permit may be issued. A copy of our Overweight Permit Ordinance is attached for your reference.

Your permit application is enclosed for your completion and return. Payment is required at the time of the submission of your permit application. Please make checks payable to the Town of Hinesburg. Please note our mailing address above and be sure that your insurance carrier has our updated mailing address information. Permits cannot be processed without payment and a copy of your up-to-date insurance certificate.

Please be advised that the Hinesburg Selectboard has asked our Police Department to increase enforcement of violation of the Town's overweight permit ordinance.

Please feel free to call with any questions.

Sincerely,
