

## Green Up Vermont Hinesburg Saturday, May 4<sup>th</sup>

Green-up bags will be available starting Wednesday, April 24th at the Town Hall, and Carpenter Carse Library. Green Up day begins Saturday, May 4<sup>th</sup> at 8:30am at the Town Hall. You can get more bags, grab a quick donut, and sign up for a road section not already taken. We also have some visibility vests to keep you safe along the roadsides.

We will again use the Sign-Up Genius website to allow volunteers to sign-up for different pre-determined road sections to keep track of which roads are getting done and which roads are still available. You can find the link to the Sign Up Genius:

<https://www.signupgenius.com/go/10C0A44A9AC2DA7FE3-49156544-2024#/>

Green Up bags can be brought to the town garage (next to the CSWD transfer station) between 8:30am-3:30pm on Green Up day. If you need our volunteers to pick up your bags, you can leave them tied up and secured on the side of the road. Those bags are also a visible sign for everyone to see that green up is happening!

No matter when you Green Up, please join us at the Town Hall for a community lunch on Green Up day. Lunch is from 12:00 noon to 1:00pm. Take this opportunity to meet fellow volunteers, share stories of Green Up, have a nice lunch while basking in the feelings of being a part of this great community.

### **Be Safe**

- Please use extreme caution while on our roadsides especially with children.
- Wear bright clothing
- When you drop off collected trash at the town garage, a volunteer will show you where it goes.
- Wear gloves and boots
- Take precautions for ticks

Green Up Day 2024 is the 54th anniversary of this unique state-wide tradition. Here in Hinesburg the tradition is as strong as ever. We have up to 100 volunteers participate each year. Many Hinesburg children first learned about civic responsibility through Green Up and look forward to this community-wide event to reconnect with their family, friends, and neighbors.

If you have any questions or just need to get more information, you can call email Phil Pouech at [ppouech@gmavt.net](mailto:ppouech@gmavt.net).
