Approval of Minutes

The minutes of August 10, 2009 were approved.

Rural Zoning

Matthew reported back on the Planning Commission meeting at which rural zoning options were presented that had been developed by Alex with the help of Brian Shupe. The rural zoning options will also be presented to the Selectboard on September 21 at 7 pm. A number of HCC members will be there.

Greenspace Plan

There was a discussion of delivering the Greenspace Plan in its current form to Alex and Peter and the Planning Commission. We've put a lot of work into it and it's as ready as it'll be right now. We discussed making any last revisions/edits and getting it to Alex, Peter and the Planning Commission by the end of the month. We will have Nancy send the latest version to all of us, so we all are aware of what's being sent.

Ancient Roads

The Ancient Roads Committee completed their work and developed a report. There were 225 ancient roads in Hinesburg. Of those, all but 6 were discontinued.

Geprags Park

There was discussion about the need for a work day or not. It was decided that the most important thing to do right now was to trim around Ted's Sledding Hill.

Matthew Resigning

Much to our disappointment, Matthew is resigning from the HCC. We wish him good luck and thank him for his help!! And hope that he may return to the HCC at some point in the future.

The meeting was adjourned at 8:10 PM.
