7PM - Wednesday, May 8, 2024

Town Office – Main Hall

Panel Discussion and Audience Q&A. Panelists include:

- **Mike Pieciak - Vermont State Treasurer**
- **Amy Tomasso - VT Dept. of Housing & Community Development**

Whether it is property taxes, housing costs, food prices, or transportation expenses, the affordability of our community and our state is an issue for many people.

- Local Economy – How do we facilitate growth of local businesses (existing and new)? What types of new business/industry should we try to attract, and what are the most effective ways to do that?
- Housing – Does increasing supply mean greater affordability?
- Growth – How does growth affect municipal and State finances?
