

Job Announcement – Public Works Director

The Town of Hinesburg, Vermont is seeking qualified applicants for the position of Public Works Director. The Town of Hinesburg has a population of approximately 4,700 residents and encompasses approximately 40 square miles. Hinesburg is a growing community, located 10-miles from downtown Burlington, the University of Vermont and Lake Champlain.

The Town of Hinesburg maintains 55 miles of road, 870 water connections, and 650 wastewater connections. Nearly 500 new housing units are expected within the next 8-10 years. Construction of a new sequential batch reactor wastewater plant is slated to begin in 2023. The addition of a well to the town's drinking water system is in the preliminary engineering phase. The Town Hall has a structurally compromised roof and the Fire Station is inadequate for future needs so replacement of both structures is currently in the early planning phase. A new highway garage was completed in 2018.

The Town offers a comprehensive benefits package and a starting salary of \$90,000 - \$105,000 depending upon qualifications and experience. A full job description can be found under about/employment at www.hinesburg.org. To be considered for the position, submit a resume and cover letter to Todd Odit, Town Manager via email to todit@hinesburg.org

The Town of Hinesburg is an affirmative action/equal opportunity employer and is committed to diversity, equity and inclusion hiring goals to create a diverse workforce within the community.
