This was a special meeting for a walking tour of the Rural Residential 1 Zoning District – specifically one portion in the northern Mt. Pritchard area. The meeting began at the Town Office at 6pm. Participants drove to the Stanlonis/Lepple property on Pond Road, then walked through the forest to a vernal pool. The group discussed observations about the landscape and the environment.

The meeting ended back at the Town Office at approximately 8:30pm.

Respectfully submitted,
Alex Weinhagen, Director of Planning & Zoning (as related by Rolf Kielman)
