Hi Brett,

Sorry to take so long getting back to you but working from home leaves me scrambling a little bit. Besides my technology skills leave a lot to be desired.

I built a Pursuit Charger with a V-6. It is black in color and has 2 spot lights. These are LED's. It has a vinyl floor and a vinyl rear seat. They are telling me if I order it today I am required to add a Street Appearance group. If it is not required at time of order we can take it out.

The cost of this cruiser with all fees is: \$37,884.

Please give me a call or email me with any questions.

Thanks,

Dick
