Hi Todd,

GMT is happy to present to the Selectboard. Since Hinesburg does not have ADA service your annual assessment will be a fixed % increase over FY23. We are presenting a preliminary staff proposal including a 4% fixed route assessment increase to the GMT Board next Tuesday so that municipalities have a reasonable placeholder for their own budgeting. Our final budget will likely not be approved until mid-January.

Please let me know if and when the Selectboard would like a presentation on the assessment, a summary of the 116 Commuter route and other GMT happenings.

Thanks,

Hi Jon,

It was mentioned to me that GMTA wanted to get scheduled for a Selectboard meeting. Let me know if that is the case.

Thanks,
