Re: Resignation

To focus all my time and effort to represent Hinesburg in the upcoming State Legislative session I've decided to resign my Selectboard position (two-year term ending 2024) on January 3, 2023. This will provide a smooth transition by allowing the normal election process to elect the next willing candidate for this Selectboard position.

I am willing to serve as an interim Selectboard member until town meeting day March 7, 2023 if the Selectboard wishes to appoint me to complete this year's term.

Respectfully,

Phil Pouech
