Hi Todd,

My name is Ricky McCollum, I am the Athletic Activities Director at CVU. I looked for your direct email but I could not find it on the website so I am hoping this finds you. I have had a handful of parents, faculty and staff inquiring about placing a guardrail along Pond Rd by the soccer fields. During games we are finding cars especially at the end of the days driving at high speeds and during a soccer game it can become pretty unsafe as the fields are quite close to the road. Is there a way we can have guardrails along those designated areas by the fields?

Thanks,

Ricky McCollum
CVU Athletic Activities Director
